FINAL LINE-UP

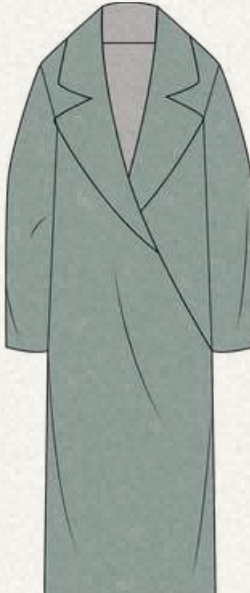

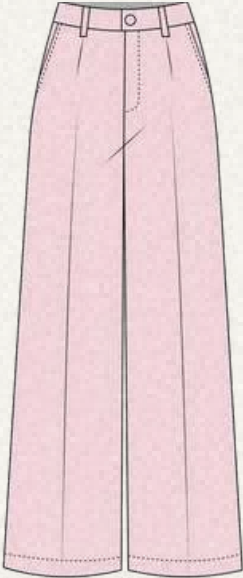

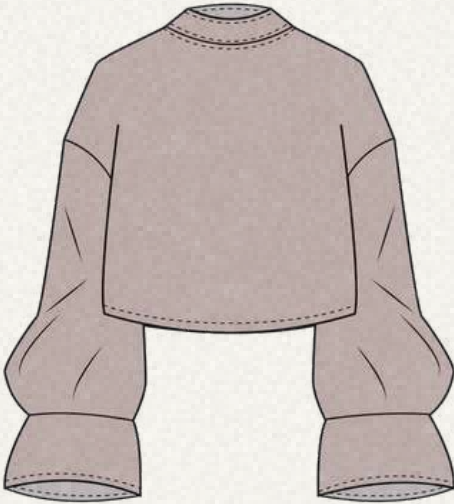

FW26 RE:ACT

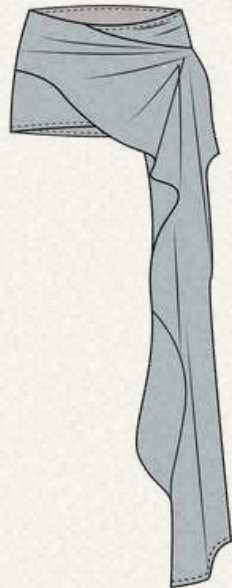

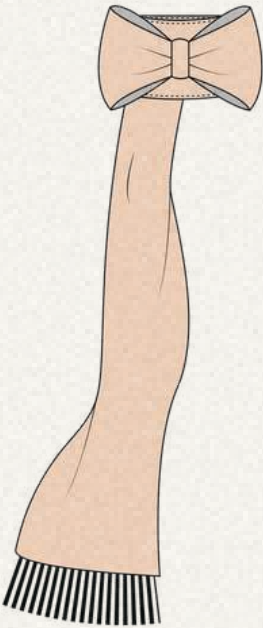

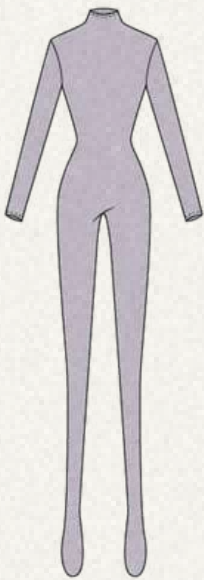

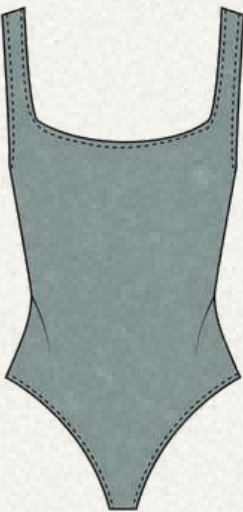

THE WEDDING DRESS

In the tradition of closing every RTW show with a wedding dress, ACNE Studios' ReAct line introduces a bold reinterpretation of this iconic piece. For the capsule collection's finale, we present a statement wedding dress crafted from ACNE's signature mohair checkered scarf —oversized, draped, and sculptural.

A massive ACNE Studios Stockholm tag anchors the design, blending heritage with innovation. More than just a garment, this piece embodies the essence of ReAct — redefining fashion's endnotes with an artistic, unconventional vision. Displayed in stores as VM, it stands as a symbol of the collection's ethos and ACNE's unmistakable DNA.
